Macao Trademark Registration Costs and Registration Procedures

The legal basis of Macao trademark is Industrial Property Code. Macao is not a member of the Paris Convention or Madrid Protocol. According to Article 16 of Industrial Property Code, anyone having regularly filed an application for the granting of an industrial property right as envisaged in the present Statute, or any similar right, and who has so done in any of the countries or territories members of the WTO or of the Union, or in any intergovernmental organism with jurisdiction to grant rights the effects of which extend to Macao, or successor of any such person, shall, on filing the application in Macao, enjoy the priority right established in the Paris Convention for the Protection of Industrial Property. Macao adopts first-to-file basis for trademark protection. A trademark registration is valid for 7 years from the date of acceptance and could be renewed for 7 years before the expiry date.

1. Macao Trademark Registration Fees

Services		Fees (USD)
Step 1: Pre-filing Search		
	First class	250
	Each additional class	200
(1) Pre-filing search is not compulsory in Macao. (2) Pre-filing search is limited to the Intellectual Property Department of the Macao Economic Services' data base only. (3) Pre-filing search report is delivered in 15 working days by email.		
Step 2: Trademark Registration Request		
	First class	640
	Each additional class	600
(1) Fees cover both our service fees and official filing fees. (2) Fees for trademark registration request listed above cover no more than 20 items of products or services in each class. Each item in excess of 20 will be charged with an extra fee of USD10. (3) Multi-class application is not available in Macao.		
Step 3: Final Registration/Certificate		
	First class	200
	Each additional class	150

Note:

- (1) The fixed fees quoted above apply only to trademark applications which are unopposed and proceed without complication.
- (2) All fees quoted above do not include delivery fees.

2. Calculation of Registration Costs

Example 1: One mark one class

If you want to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear), that is, one mark one class, the total fees for trademark pre-filing search, registration request and certificate are:

Pre-filing search: USD250
Request for registration: USD640
Final registration/Certificate: USD200
TOTAL: USD1,090

Example 2: One mark two classes

If you want to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear) and Class 26 (lace and embroidery, ribbons and braid; buttons, hooks and eyes, pins and needles; artificial flowers), that is, one mark two classes, the total fees for trademark pre-filing search, registration request and certificate are:

Pre-filing search: $250 + 200 = \text{USD}450$
Request for registration: $640 + 600 = \text{USD}1,240$
Final registration/Certificate: $200 + 150 = \text{USD}350$
TOTAL: USD2,040

Example 3: Two marks one class

If you want to have your trademarks "ABC" and "DEF" registered in Class 25 (clothing, footwear, headgear), that is, two marks one class, the total fees for trademark pre-filing searches, registration requests and certificates are:

Pre-filing searches: $250 + 250 = \text{USD}500$
Request for registrations: $640 + 640 = \text{USD}1,280$
Final registrations/Certificates: $200 + 200 = \text{USD}400$
TOTAL: USD2,180

The costs illustrated in the examples above are based on the assumption of a smooth application, that is, no objection being raised by the Intellectual Property Department of the Macao Economic Services or any other third party. Also, the costs stated above exclude courier charges for sending the Power of Attorney and delivery of Certificate of Registration upon acceptance of registration.

It is further assumed that the number of items of products included in each class is no more than 20. Each additional item after the first 20 is charged at a fee of USD10.

6. Payment Term and Payment Method

Our fees for each stage of an application are to be invoiced and settled before the commencement of each stage of service. If a China or Taiwan Value-Added Tax invoice is required, 7% or 5% additional charge will be incurred.

We currently accept cheque, cash, TT and credit card through Paypal (5% additional charge will incur for paypal). [Please click here for payment methods.](#)

7. Refund Policy

No refund of fees will be made after the commencement of services. For example, if we have conducted a pre-filing search and found an identical mark is already in the register, the application will not be proceeded, the fees for pre-filing search will not be refunded. If we have already filed an application and the application is objected by the Intellectual Property Department of the Macao Economic Services or any other party or refused, there will not be any refunded of fees.

In case you have paid our fees for all three stages of an application and the search result indicates that an identical mark is already in the register, the application will not be proceeded. The fees for services not performed, i.e., filing for application and issuing of certificate of registration will be refunded, after deducting bank wiring charge.
