Mexico Trademark Registration Costs and Registration Procedures

The legal basis of Mexico trademark is the Industrial Property Law. Mexico is a member of the Paris Convention and the Madrid Protocol. Mexico adopts first-to-file basis for trademark protection. A trademark registration is valid for 10 years from the date of application and could be renewed for 10 years before the expiry date.

1. Mexico Trademark Registration Fees

Services		Fees (USD)
Step 1: Pre-filing Search		
	Each class	465
(1) Pre-filing search is not compulsory in Mexico. (2) Pre-filing search is limited to the Mexican Institute of Industrial Property (IMPI)'s database only. (3) Pre-filing search report is delivered in 15 working days by email.		
Step 2: Trademark Registration Request		
	Each class	1,400
(1) Fees cover both our service fees and official filing fees. (2) Fees for trademark registration request listed above cover no more than 20 items of products or services in each class. Each item in excess of 20 will be charged with an extra fee of USD10. (3) Multi-class application is not available.		
Step 3: Final Registration/Certificate		
	Each class	180

Note:

- (1) The fixed fees quoted above apply only to trademark applications which are unopposed and proceed without complication.
- (2) All fees quoted above do not include delivery fees.
- (3) Fee for claiming priority is USD495 for each class.

2. Calculation of Registration Costs

Example 1: One mark one class

If you want to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear), that is, one mark one class, the total fees for trademark pre-filing search, registration request and certificate are:

Pre-filing search: USD465

Request for registration: USD1,400

Final registration/Certificate: USD180

TOTAL: USD2,045

Example 2: Two marks one class

If you want to have your trademarks "ABC" and "DEF" registered in Class 25 (clothing, footwear, headgear), that is, two marks one class, the total fees for trademark pre-filing searches, registration requests and certificates are:

Pre-filing searches: $465 + 465 = \text{USD}930$

Request for registrations: $1,400 + 1,400 = \text{USD}2,800$

Final registrations/Certificates: $180 + 180 = \text{USD}360$

TOTAL: USD4,090

The costs illustrated in the examples above are based on the assumption of a smooth application, that is, no objection being raised by the IMPI or any other third party. Also, the costs stated above exclude courier charges for sending the Power of Attorney and delivery of Certificate of Registration upon acceptance of registration.

It is further assumed that the number of items of products included in each class is no more than 20. Each additional item after the first 20 is charged at a fee of USD10.

3. Materials Required for Filing of Trademark Application in Mexico

- (4) A scanned copy of the priority document when priority is claimed.
- (5) A Power of Attorney (to be provided by Kaizen) simply signed by the applicant for each class.

4. Mexico Trademark Application Procedures

- (1) Kaizen acknowledges the information including the specimens of mark, its goods/services and registration details, then provides the latest quotation, preliminary advice and classifies your goods/services;
- (2) After the quotation has been confirmed, client will be required to complete our Trademark Search/ Registration Order Form and send it back to Kaizen by email, fax or post;
- (3) Once receipt of the payment for pre-filing search, Kaizen will conduct the pre-filing search (if requested). The search report will be sent to client within 15 working days (based on the duration of the official search);

- (6) The IMPI will conduct formalities and the substantive examination and it may request further information, clarification or the rectification of omissions, if necessary. If the requirements for registration are not met, the Examiner will object to the mark;
- (7) Once your trademark has been accepted for registration, a registration certificate will be issued by the IMPI. We will review and send the certificate to you.

5. Time scale

Currently it takes around **6 - 10** months to get a trademark registered in Mexico in a smooth case.

6. Payment Term and Payment Method

Our fees for each stage of an application are to be invoiced and settled before the commencement of each stage of service. If a China or Taiwan Value-Added Tax invoice is required, 7% or 5% additional charge will be incurred.

We currently accept cheque, cash, TT and credit card through Paypal (5% additional charge will incur for paypal). [Please click here for payment methods.](#)

7. Refund Policy

No refund of fees will be made after the commencement of services. For example, if we have conducted a pre-filing search and found an identical mark is already in the register, the application will not be proceeded, the fees for pre-filing search will not be refunded. If we have already filed an application and the application is objected by the IMPI or any other party or refused, there will not be any refunded of fees.

In case you have paid our fees for all three stages of an application and the search result indicates that an identical mark is already in the register, the application will not be proceeded. The fees for services not performed, i.e., filing for application and issuing of certificate of registration will be refunded, after deducting bank wiring charge.
