Unless otherwise indicated, Indonesia Trademark Registration stated in this quotation refers to trademark registrations in accordance with the *Law No. 15 of 2001*. All fees in this quotation are valid until 31 December 2023.

The legal basis of Indonesia's trademark is Law No. 15 of 2001. Indonesia is a member of the Paris Convention and the Madrid Union. Indonesia adopts first-to-file basis for trademark protection. Trademark registration is valid for 10 years from the date of application and could be renewed for 10 years before the expiry date.

Our fees for filing an application in Indonesia are USD780 (HKD6,162) for the first class, USD560 (HKD4,424) for each additional class. The fees cover 20 goods/services per class. Each 10 item (less than 10 items will be calculated as 10 items) in excess of 20 will be charged at USD10 (HKD79). The fee for registration is USD450 (HKD3,555) for each application.

For the purpose of registering a trademark in Indonesia, you will need to provide some basic information of the proprietor (individual or company), such as the full name, address, a scanned copy of a signed (and stamped) Power of Attorney and a Declaration of Ownership. You are also requested to select the goods/services for each class.

A registration in Indonesia usually takes 9-11 months from the date of filing the application which includes 2 months of Publication for the Opposition period.

If the application is being rejected by the Directorate General of Intellectual Property Office (DGIP) or opposed by any third party, Kaizen can help to response to the rejection or opposition and our fees will be quoted upon request.

The DGIP will not issue paper Certificate of Registration for the registrations, only an electronic Certificate of Registration will be issued.

(1) Fees cover 20 items of goods/services per class. Each 10 items (less than 10 items will be calculated as 10 items) in excess of 20 will be charged at USD10. (2) Multi-class application is acceptable in Indonesia.	
Step 3: Trademark Registration	
Each application	450.00

The fees cover the following services:-

- (1) Conduct 1-time preliminary identical search for word mark – without report;
- (2) Analysis the registrability of the mark;
- (3) Classify the goods/services;
- (4) Translate the goods/services into the specified language (first 20 items at no cost);
- (5) Country-specific adaptation and conversion of goods/services designation where applicable (first 20 items at no cost).

Notes:

- (1) All fees are exclusive of bank charges, priority claim, notarization or legalization fees, courier fees (mailing of Power of Attorney or Certificate of Registration) and taxes, if any.
- (2) The fees quoted above apply only to trademark applications which are unrejected, unopposed and proceed without any complications. If the application is being rejected or opposed or complication is incurred, we can help to respond and our fees will be quoted upon request.

2. Calculation of Registration Costs

Example 1: One mark one class

If you want to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear), that is, one mark one class, the total fees for trademark pre-filing search, registration request and certificate are:

Pre-filing search: USD200.00
Request for registration: USD780.00
Final registration/Certificate: USD450.00
TOTAL: USD1,430.00

Example 2: One mark two classes

If you want to have your trademark "ABC" registered in Class 25 (clothing, footwear, headgear) and Class 26 (lace and embroidery, ribbons and braid; buttons, hooks and eyes, pins and needles; artificial flowers), that is, one mark two classes, the total fees for trademark pre-filing search, registration request and certificate are:

Pre-filing search: $\text{USD}200 + \text{USD}150 = \text{USD}350.00$
Request for registration: $\text{USD}780 + \text{USD}560 = \text{USD}1,340.00$
Final registration/Certificate: USD450.00
TOTAL: USD2,140.00

Example 3: Two marks one class

If you want to have your trademarks "ABC" and "DEF" registered in Class 25 (clothing, footwear, headgear), that is, two marks one class, the total fees for trademark pre-filing searches, registration requests and certificates are:

Pre-filing searches: $\text{USD}200 + \text{USD}200 = \text{USD}400.00$
Request for registration: $\text{USD}780 + \text{USD}780 = \text{USD}1,560.00$
Final registration/Certificate: $\text{USD}450 + \text{USD}450 = \text{USD}900.00$
TOTAL: USD2,860.00

The fees illustrated in the above examples are based on the assumption of a smooth case (i.e., no rejection, opposition or complications) requiring no additional item in each class. Moreover, the fees are exclusive of bank charges, courier fees and other expenses, if any.
